

GENERAL CLIENT CHARTER

As a responsible Islamic Financial Service Provider, we strive to provide our customers with the best service following the tenets and best practices of Islam as described in a hadith narrated by Al-Baihaqi wherein the prophet said, *“Allah loves, when one of you is doing something, that he [or she] does it in the most excellent manner.”*

1. Ensuring Safe Operations

We recognise your need for a safe and secure environment to conduct your banking transactions.

In order to provide you with dependable and secured services, the Bank has employed various security standards and authentication protocols in compliance with the relevant security and regulatory standards and requirements. We are committed to ensuring that your transactions are safeguarded and protected at all times.

2. Privacy of Customer Information

Confidence and trust is the keystone in every strong relationship.

By giving us your personal and financial information you are entrusting us with the use of the same. We are committed to ensuring that the confidence entrusted in us is well placed and that your privacy is respected and protected at all times.

Please refer to our **Privacy Policy** for a more detailed explanation of our use of your information as well as the principles in place with regards to safeguarding the same.

3. Reliable and Quality Services

In providing any products or services, we will always have your best interest in mind.

We endeavour to provide you with products and services that are reliable and of quality which serve your needs and requirements. We also seek to provide you with a high level of service by employing skilled and trained personnel in order to ensure that your experience with us is good and meets with your satisfaction.

To this end, we endeavour to
